Mouliko started practising Aikido in 1973. His main teachers are Kobayashi Yasuo sensei and his son Kobayashi Hiroaki sensei, but he is also strongly influenced by Endo Seishiro sensei. Much of his inspiration comes from the continuous exchange with a network of international instructors (Jan Nevelius, Jorma Lyly and others).

Mouliko focuses on the connection and contact awareness between tori and uke. He holds a 3rd dan in Daitoryu Aiki Jutsu, Roppokai, and a 1st dan in Katori Shinto Ryu.
