AN EVENING WITH SVEIN HATLEN

Aikido Class

Thursday, 6 October 2022
20.00–22.00

No weapons required.

„Aikido is for me a way to grow as a being, and in our small part spread a seed of peace in the world through everybody we meet on our path. We study awareness about processes happening in our body and in our mind during the keiko. This awareness is transferable to life outside the tatami. The short version is: **Aikido makes people happy!**

My greatest inspiration is brought to me by everybody I come into contact with as a partner during the keiko. Teachers who made a huge impact on my path are Seigo Okamoto sensei (from Daito Ryu Roppokai), Seishiro Endo sensei, Christian Tissier sensei and Franck Noël sensei. And of course, my dear friends, Janne and Jorma.“

Svein Hatlen is 3rd dan Aikikai, and he practises and teaches at Vanadis Aikidoklubb Stockholm.
